**Notes:**

KOREKYOJIN VS. Sardine Head

This Sardine's set was for before KOREKYOJINs' set.

Shuffle was played for encore of KOREKYOJINs' set.

The Sardine's member entered the stage then, too.

Three mens had one's usual musical instrument,

but only Mr.Kobayashi played a digital equipment with big smile.

He played some noise and scratch sound and tap in Shuffle.

Mr. Yoshida (Drums /KOREKYOJIN) permit us to archive this filler.

We Sardine Head's Head dedicate the maximum thanks to him.

Thank you, KOREKYOJIN (Tatsuya Yoshida, Natsuki Kido, Mitsuru Nasuno) and their fan.

Jo-ji and Kawanii played twin LP. Takashi played usual PB.

Jo-Ji wore SKY HIGH - Mil Máscaras T. Mr.Kobayashi wore STAR TREK T.

Exception source : only Shuffle

My 4023 clamped to 41's mic stand, not on stage.

Thank you 41.
